COMMITMENT FROM A GROUP OF DOCTORS FROM RUSSIA, LEARNING IN 30°C HEAT.

A long planned trip by gynaecologists, psychiatrists, paediatricians and other consultants took place just before monsoon in the fierce heat and humidity of Kolkata.

Many had practised homoeopathy for many years but arrived at the Bengal Medical Institute full of enthusiasm and proudly wearing their t shirts which were especially printed with 'Kolkata, Mecca Of Homoeopathy'

Their enrichment of existing knowledge was appreciated and endorsed many of their understanding whilst ironing out some misconceptions. Prior to this clinically orientated course, many had travelled and attended various lecturers and short courses, but not seen so much pathology in patients present in the clinic and never experienced the in - depth comparison of Materia Medica in front of the patient.

Live, explanation, drawing on vast experience the doctors Banerjea filled a gap in knowledge that none were expecting.

Grateful thanks and appreciation from all, and the reward will be to see the expansion of use, and success in their own field of work.

Organisation for their next course is in process, which say sit all!

**The Russian Homoeopaths flew from Moscow, each carrying a bag:
“Mecca of Materia Medica, Kolkata”.**

Dr. Subrata & Saptarshi Banerjea with the large group of 23 Russian Homoeopaths (including 17 Medical Doctors/ Consultants) attending the Calcutta Clinical Programme in June 2025. All wearing T-shirt, "Mecca of Materia Medica, Kolkata".

Dr. Subrata K. Banerjea's live case demonstration in the Calcutta Clinical Programme in June 2025, where 160+ cases were demonstrated in 10 days.

Various pathologies demonstrated during the course. Here is a child with Muscular Dystrophy.

Large group of 23 Russian Homoeopaths (including 17 Medical Doctors/ Consultants) attending the Calcutta Clinical Programme in June 2025.

All the participants in the classroom, eagerly listening the power (demonstrated through 160+ Live Cases in 10 days) of “Simple Classical Homoeopathy” in this Drug Dependent World.

Dr. Saptarshi Banerjea is teaching Dermatology & Homoeopathy while relating to the case history of a patient.

Case Management and WWW (Wait & Watch with Wisdom- do not repeat when medicine is working), Calcutta Clinical Programme for Russian Doctors: June 2025.

Simultaneous translation from English to Russian was done by Dr. Vera Peitch, a Paediatrician & Homoeopath; a wonderful Interpreter.

Few Autistic cases were demonstrated, and the participants learnt the homoeopathic prognosis. The “Simple Classical Homoeopathy” which works in this Drug Dependent World!

Lots of follow-up of cases of varied pathology. All Participants are amazed by the power of "Simple Classical Homoeopathy" which works!

The philosophy and application of Tautopathic principles and the Materia Medica of Tautopathic Medicines are elaborated.

Dr. Subrata K. Banerjee is passionately explaining about Kentian Wait & Watch after the medicine started working, Calcutta Clinical Programme with Russian Doctors, June 2025.
