The programme aims to close the gap between theory and practice and guarantee the use of Miasmatic knowledge and confidently use Materia Medica and Organon in everyday practice.

6 good reasons to join the Summer Conference of 2026:-

I. 7 days of in-depth exposure in Clinical and Comparative Materia Medica ***to develop your confidence in Materia Medica***. Handout including case notes will be sent 3 weeks in advance for your pre-course studies. All your (including Video-linked participants) questions/confusions are guaranteed to be answered during the class by Subrata.

II. Emphasis on ***Generals*** (Physical and/or Emotional) gives you the correct prescription. Complete the symptoms with modalities + Generals + Aetiology and cover the surface miasm = Simple straight forward non-confusing classical approach–Practical demonstration in this Summer Conference.

III. Observe rapid & permanent relief of drug dependant pathologies: 5 days of ***live cases*** in the Allen Teaching Clinic of U.K & India; ***to develop your confidence.*** Also, practical demonstration of Classical & Practical methodology (symptoms to value in a case and what to ignore). ***Observe how simple Homoeopathy is effective*** in varieties of advanced pathologies through 2 days of Live video-link and 2 days of recorded video cases of Subrata's Indian consulting rooms.

IV. During Case discussions: Subrata reflects the Chain of Medicines may be needed for possible use in the future to finish the case; e.g. in Arthritis cases: Rhus Tox may be followed by Calcarea fluor and then Radium Bromide or Medorrhinum to finish the case. You don't get this information anywhere else! Also Subrata shares his thought process of how he identifies the remedy in a case from his Materia Medica understanding.

V. ***If you are confused with different methodologies***, see practical demonstration of how Simple Homoeopathy works. ***Be a confident prescriber*** with time tested, century old scientific Methodology. ***This practical approach for present drug dependant world is aimed to give you and your patient the confidence that homoeopathy is working within 1st or 2nd follow-up.***

Re-visit the action of century old lesser known Organopathic medicines like Helonius, Tanacetum, Verbena in Depression; Amyl Nit., Epiphegus, Melilotus, Onosmodium, Usnea for Migraine and wean off the conventional chemicals in accordance with aphorism §91 of Organon and thereby giving confidence to the patient that (a) yes, I can control the dosage and may take fewer chemicals; (b) there are alternatives to manage my condition and (c) homoeopathy is working for me!

VI. *This course will offer you a CPD Certificate* for 42 hours, amongst which 30 hours of live case exposure and 12 hours of Case analysis and Video cases.

Extensive lecture notes are provided. It will be sent 4 weeks in advance by e-mail, for your pre-class studies.
