## 6 good reasons to join the Summer Conference of 2026:-

- I. 4 days of in-depth exposure in Clinical and Comparative Materia Medica **to develop your confidence in Materia Medica.**
- II. Emphasis on **Generals** (Physical and/or Emotional) gives you the correct prescription. Complete the symptoms with modalities + Generals + Aetiology and cover the surface miasm = Simple straight forward non-confusing classical approach–Practical demonstration in this Summer Conference.
- III. Observe rapid & permanent relief of drug dependant pathologies: 2 days of **live cases** in the Allen Teaching Clinic of U.K & live transmission of cases from India; **to develop your confidence.** Also, practical demonstration of Classical & Practical methodology (symptoms to value in a case and what to ignore). **Observe how simple Homoeopathy is effective** in varieties of advanced pathologies through 1 day of Live video-link cases of Saptarshi & Subrata's Indian consulting room.
- IV. During Case discussions: Subrata reflects the Chain of Medicines may be needed for possible use in the future to finish the case; e.g. in Arthritis cases: Rhus Tox may be followed by Calcarea fluor and then Radium Bromide or Medorrhinum to finish the case. You don't get this information anywhere else! Also Subrata shares his thought process of how he identifies the remedy in a case from his Materia Medica understanding.
- V. ***If you are confused with different methodologies, see practical demonstration of how Simple Homoeopathy works. Be a confident prescriber with time tested, century old scientific Methodology. This practical approach for present drug dependant world is aimed to give you and your patient the confidence that homoeopathy is working within 1st or 2nd follow-up.***

**Re-visit the action of century old lesser known Organopathic medicines like Helonius, Tanacetum, Verbena in Depression; Amyl Nit., Epiphegus, Melilotus, Onosmodium, Usnea for Migraine and wean off the conventional chemicals in accordance with aphorism §91 of Organon and thereby giving confidence to the patient that (a) yes, I can control the dosage and may take fewer chemicals; (b) there are alternatives to manage my condition and (c) homoeopathy is working for me!**

- VI. *This course will offer you a CPD Certificate for 24 hours of case exposure.*
